

Hello Glover Family

The countdown is on! In less than 7 months, we will once again come together continuing tradition that is the Glover Family Reunion. As most know, the 2026 Glover Family Reunion will be in Chicago, Illinois. Our Chicago family is excited to host us and have been diligently and tirelessly preparing for our arrival. The official reunion days for 2026 are **Friday August 7th** and **Saturday August 8th**.

Family let's not wait until the last minute to make hotel reservations, pay reunion fees, purchase T-shirts, and make travel arrangements. So, in order to motivate some of you, **BEGINNING FEBRUARY 1st**, the first 25 people that pay Adult or Senior fees and purchase a T-shirt will be entered into a drawing to win a free hotel stay during the reunion. The winner of the drawing will have their hotel stay paid for from check-in Thursday August 6<sup>th</sup> until, check-out, Monday August 10th. After these 25 drawing entries have been claimed, others may enter the drawing for \$20, via the family CashApp \$USGLOVER70. Those that are entered into the drawing for free or purchase a drawing entry, will still need to make a hotel reservation. **The last day for ALL to make hotel reservations is July 1<sup>st</sup>. You can make hotel reservations with this link:**

Purchasing T-shirts, paying fees, and making hotel arrangements can all be done via the family website @ [www.usglover.org](http://www.usglover.org). Adult fees are \$75.00 per adult(ages18-65), Senior Fees are \$50(ages 65-71), and Youth Fees are \$25.00(ages 6-17). T-shirts are \$20.00 for youth and start at \$25.00 for adult. **The last day to order T-shirts is July 10<sup>th</sup>**. The T-shirt design has not yet been finalized and will be posted to the website and Facebook as soon as it is. Please do not reach out to coordinators for any information regarding the shirts, as they have other things on their plate.

Your Chicago Coordinators will soon have a letter out, with more specific reunion information. In the meantime, let's do our part in making this another successful Glover Family Reunion. It is essential to pay your fees as soon as possible, in order to accumulate working capital to secure venues and pay other deposits necessary to prepare for our arrival.

If there are any questions about fees, the website, or just in general; feel free to contact me at any time.

Love You All

Alan
